

INTERESTED IN SURVIVAL??

The Coast Guard is conducting **Voluntary Dockside Examinations** to help **You** make sure your vessel and crew have the best chance of surviving a mishap at sea. These exams are conducted solely for the benefit of the fishing community. **NO VIOLATIONS** will be issued. Let's work together to make all our jobs a lot safer and easier.

**PORT
WITHOUT
IT!**

Safety equipment has saved thousands of fishermen's lives. Help us prevent casualties at sea by requesting a dockside examination.

Exams are **"FREE"** and at your convenience. Vessels in compliance will be issued a safety decal. This will reduce your chance of safety boarding violations and could result in savings of hundreds of dollars.
