

SERVICES FOR VISITING BOATS:

Boats who care to take on fuel while in Friendship have three choices, all should be open on race day: Heritage Co-op, Friendship Co-op, and Simmons Wharf all have gas and diesel fuel service.

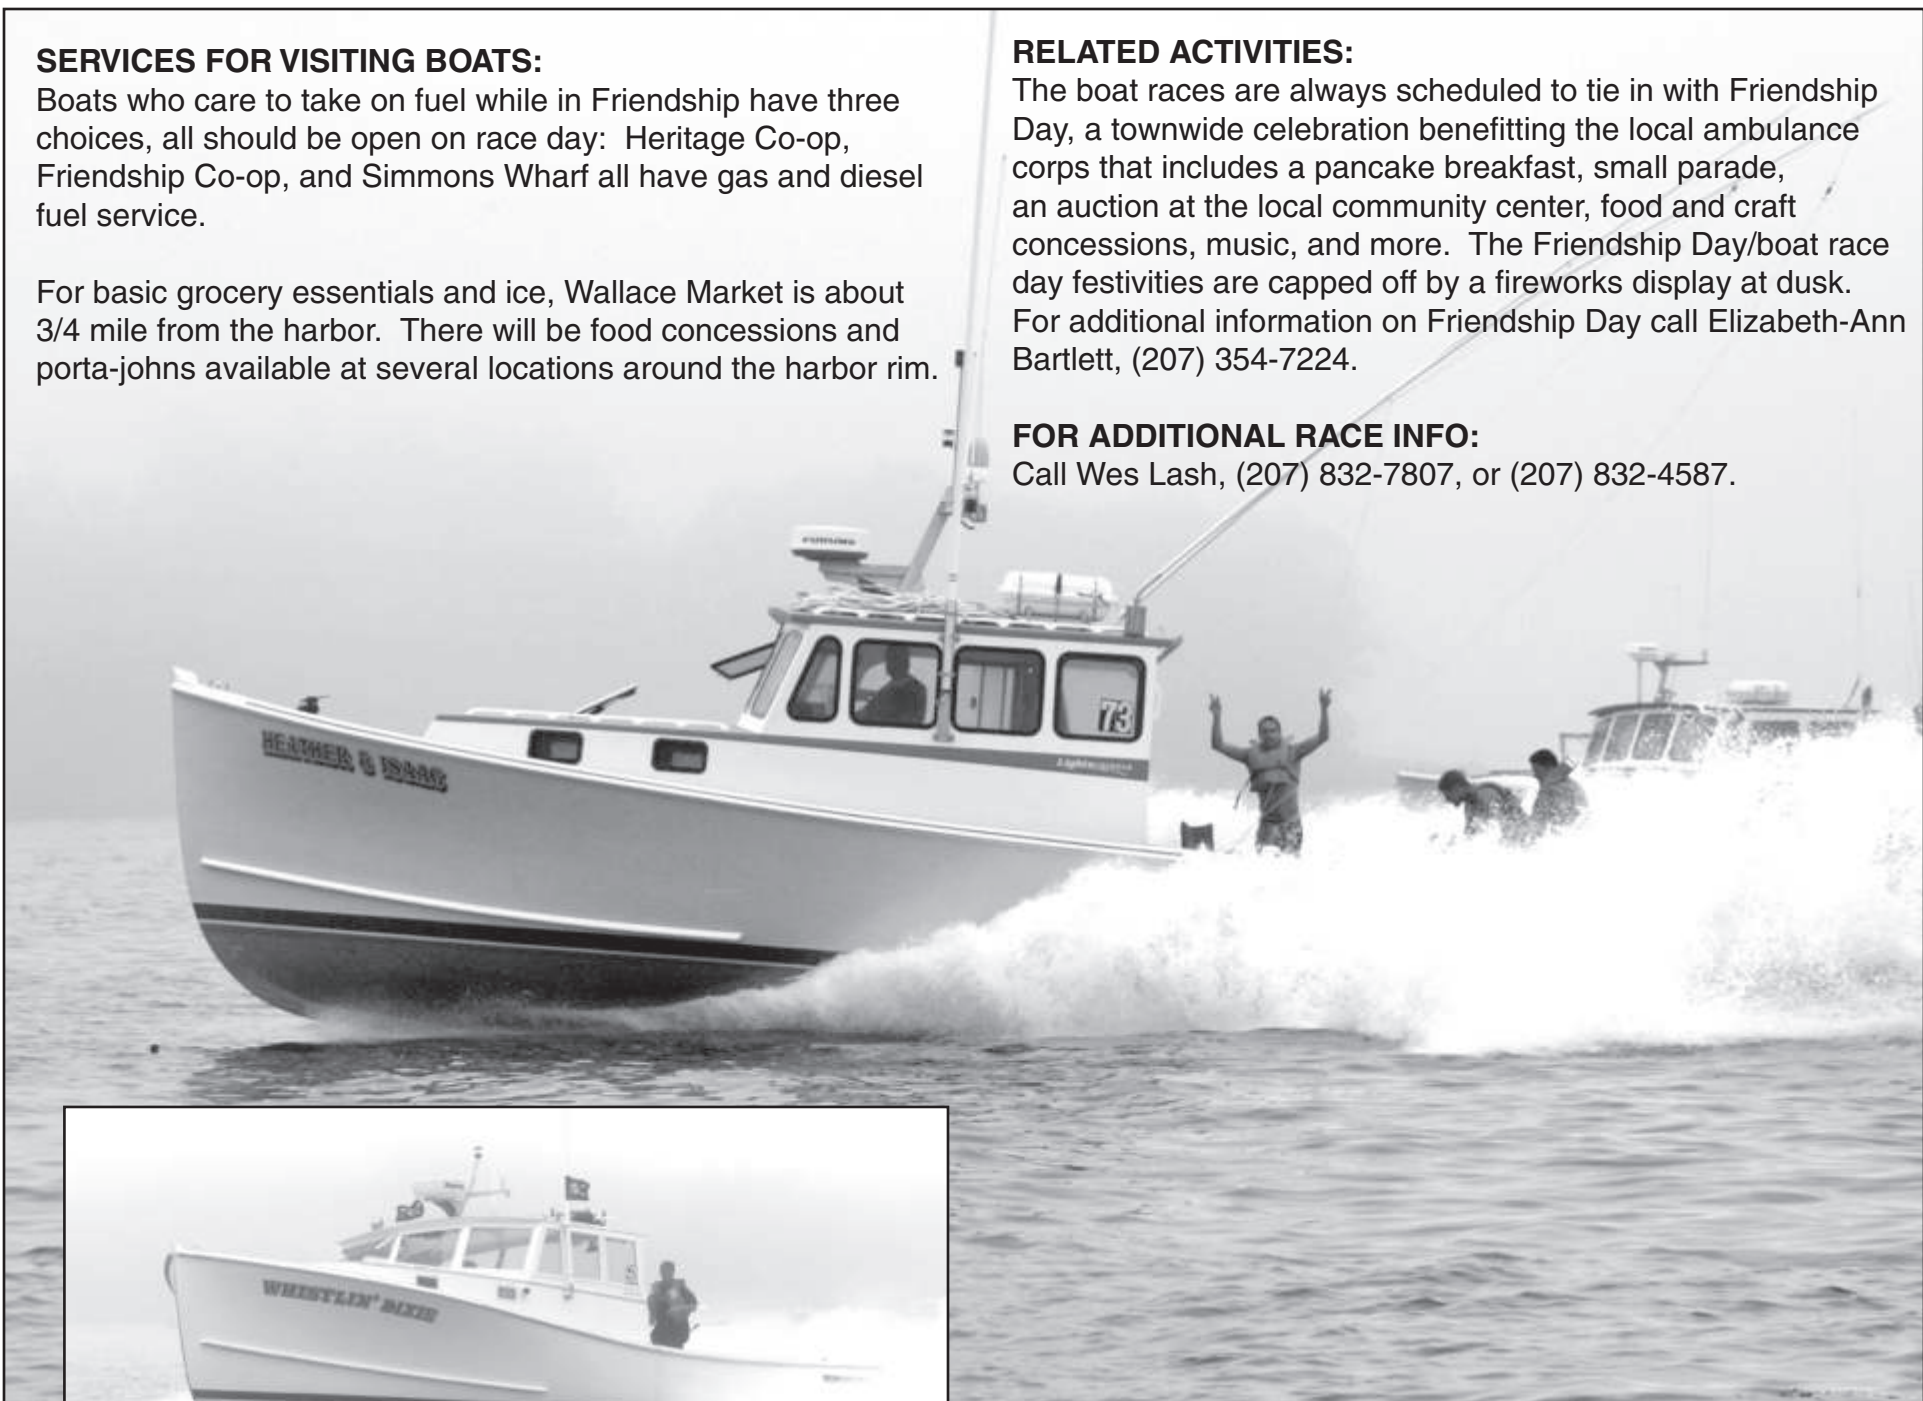

For basic grocery essentials and ice, Wallace Market is about 3/4 mile from the harbor. There will be food concessions and porta-johns available at several locations around the harbor rim.

RELATED ACTIVITIES:

The boat races are always scheduled to tie in with Friendship Day, a townwide celebration benefitting the local ambulance corps that includes a pancake breakfast, small parade, an auction at the local community center, food and craft concessions, music, and more. The Friendship Day/boat race day festivities are capped off by a fireworks display at dusk. For additional information on Friendship Day call Elizabeth-Ann Bartlett, (207) 354-7224.

FOR ADDITIONAL RACE INFO:

Call Wes Lash, (207) 832-7807, or (207) 832-4587.
