

WINTER HARBOR RACES: Saturday, August 9

DIRECTIONS:

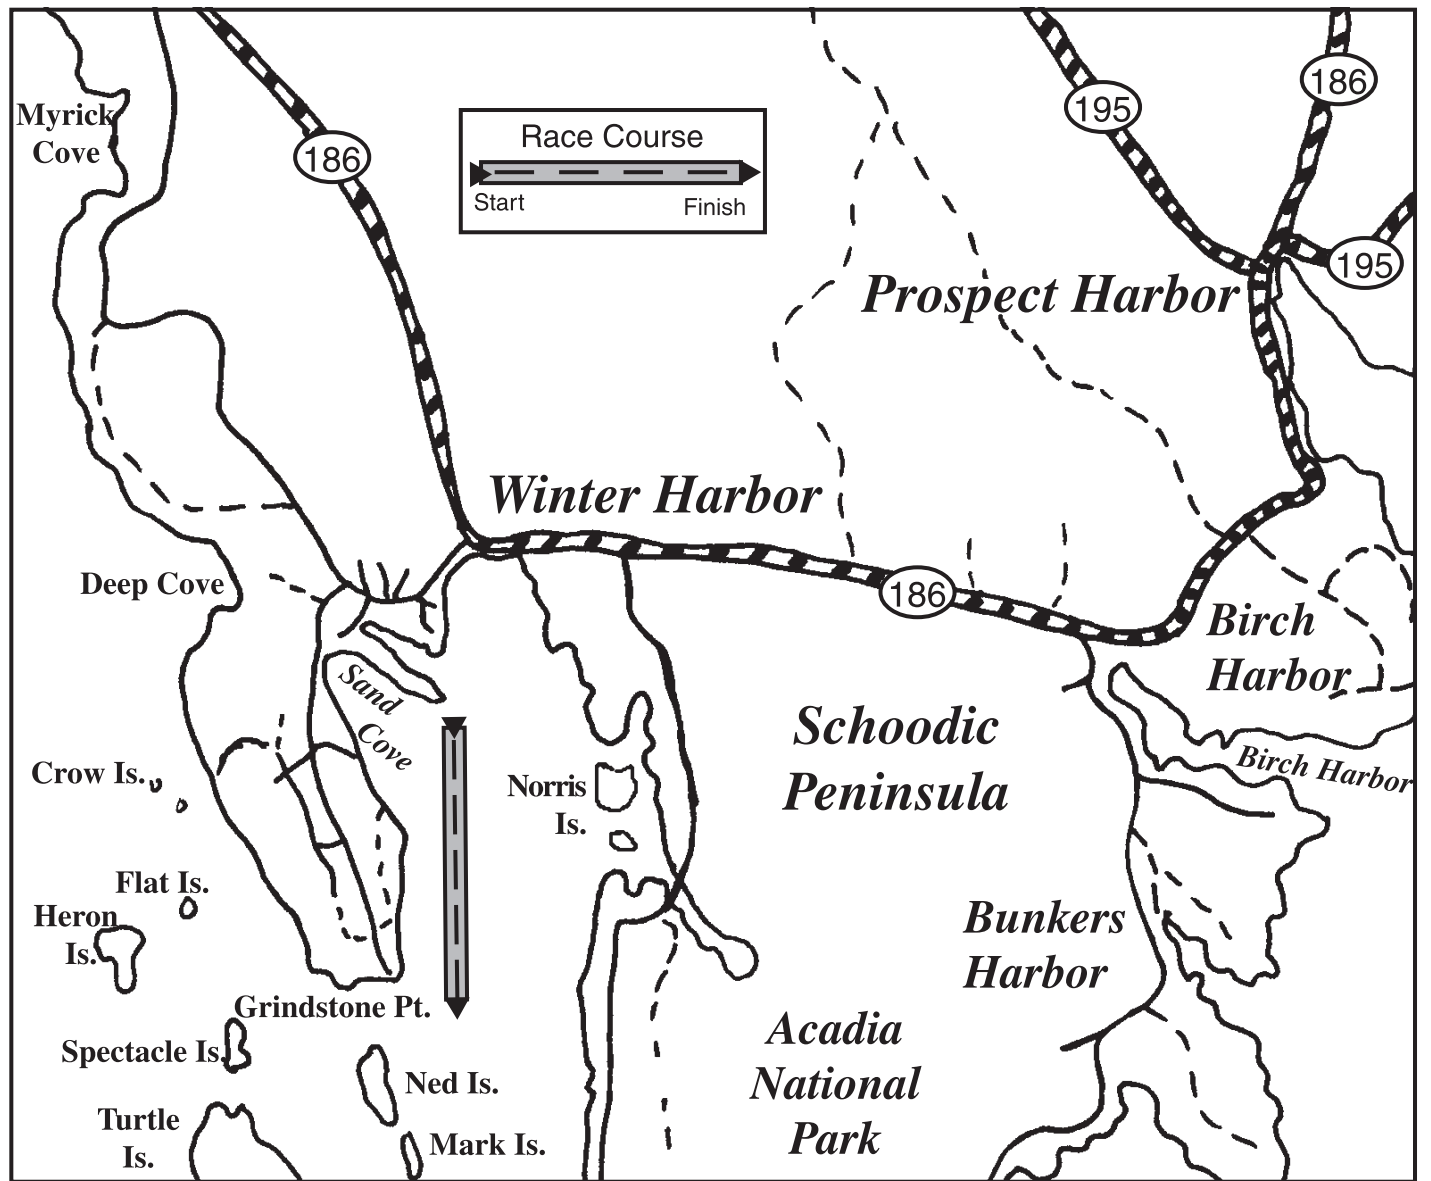

From points west: Route 1 north to West Gouldsboro, to Route 186, which turns into Main Street and follows the shoreline through Winter Harbor.

ABOUT THE RACES:

Despite a bit of pre-season confusion over who was heading up this year's Winter Harbor race committee, you can rest assured that when things shake out, this will be another super event in the grand local tradition.

A favorite among racers for the location's notoriously fast track and long, wide course, Winter Harbor is also one of the circuit's most spectator-friendly venues, as well.

Keep the whole crew happy!
